

EDUWORK.NET PROJECT

“Networking of VET providers for improving quality of work-based learning at local and transnational level”

Project No.609096-EPP-1-2019-1-IT-EPPKA3-VET-NETPAR

THE PARTNERSHIP: 13 PARTNERS FROM 6 EUROPEAN COUNTRIES

AIMS AND OBJECTIVES

- Eduwork.net project aims at building **networks and partnerships of VET providers and the world of work**, at regional, national and European level.
- The objectives of the project are:
 - to **establish a network of VET providers** and facilitate exchange of knowledge, feedback and experience of policy implementation as well as sharing of best practices on VET excellence;
 - to **improve quality of VET provision** and linkage with the needs of the labour market;
 - to **enhance impact and relevance of VET provision** for both learners and employers;
 - to **support transnational mobility of VET students for work-placements**, implementing the European VET policies for transfer and recognition of learning outcomes and using ECVET.

RESULTS

- a transnational context **study** “Work-based learning and apprenticeships in the involved countries”,
- **national events** aiming at the cooperation between VET providers and SMEs and a **European conference** in Rome on “VET and labour market”, and **a transnational networking event** in Athens,
- establishment of a **permanent mechanism for tracking VET students in apprenticeships** and a feedback loop for improving quality of VET provision.
- development of a **virtual space** that will serve for sharing information, experiences, setting up **virtual support offices for common mobility projects**, providing webinars and learning resources <http://vetmobility.eu/>
